Re: VASCO:
M/v Nordstrand/kp098w bypassing Nhava Sheva - GTI

This is to inform all our valued customers that due to huge congestion at Nhava Sheva/GTI, it has been decided by the vessel operator to omit Nhava Sheva call of m/v Nordstrand/kp098w earlier ETA 21/02/2008.

In view of the above development, all containers booked for Nordstrand/kp098w will be loaded on to the next immediate vessel: CMA CGM Rio Grande/kp100w ETA Nhava Sheva 26/02/2008.

We regret for the inconvenience caused due to aforesaid development, however, you will appreciate that such situation was beyond our control.

Kindly contact our sales personnel and customer service department for any further information & clarification needed.
